

NANDTB-F008

Application for extension of scope

This form is to be used by a NANDTB approved training organisation when applying to have further NDT course modules validated by the NANDTB. An audit visit may or may not be required in order to validate additional courses.

N.B. A completed course questionnaire (Form NANDTB-F009) for each course to be validated must accompany this application.

Name of Training Organisation.....

Street.....Postal code.....

City.....Country.....

Telephone number: Fax.....

Email.....

Organisation co-ordinator.....

Additional courses submitted for validation:

.....
.....

I/we certify that no changes in Training Organisation management, staff, documentation, facilities or equipment have occurred since the last audit visit which may reduce the quality of training offered.

Coordinator's signature:.....Date of application:.....

Print Name:.....

This application and accompanying documentation, together with the current validation extension fee (NANDTB-F007), should be addressed to the NANDTB, Secretariat Delft.

If an audit visit is considered necessary, the Training Organisation will be invoiced for the current published audit fee.
